our mission
New Canaan Community Foundation serves as New Canaan's local partner for advice, leadership, and facilitation of charitable giving.

our approach
how we achieve our mission

engage
We partner with community members to help each individual, family, or organization achieve their philanthropic goals.

We educate and support volunteer leaders of all ages to guide our work and help maximize impact in the community.

invest
We mobilize thoughtful grant investments and other resources to respond to local needs.

lead
We convene community leaders, experts, and residents to address community-wide issues that affect New Canaan.

our vision
A New Canaan that comes together to address both individual and local challenges, enriching the lives of all community members.

dear friends,
This past year, our generous supporters helped celebrate the New Canaan Community Foundation’s 40th anniversary in tremendous ways:

• A record number of individuals, families, and organizations supported the Foundation’s work in the community – more than 1,300!

• More than 175 volunteers mobilized to bring our mission to life. As a result, the Foundation was able to distribute $1.3M in grants to nonprofit organizations, including $650,000 invested in 80 local nonprofits vetted through our annual grant cycle, and almost $170,000 in scholarships to local students.

• Our assets grew to nearly $19M, including an ever-growing family of donor-advised funds – helping residents give strategically to causes they care about.

• Donors, community partners, and nonprofits partnered with us to create a new strategic vision for the Foundation, building upon the strengths of our 40-year history to increase our impact.

We are so excited to grow this work with you, and look forward to hearing your feedback.

The generosity of our donors and commitment to community make this work possible. Our very sincere thanks for partnering and trusting us to reach dozens of nonprofits, thousands of people, and create positive change.

Sincerely,

Sharon L. Stevenson
Board Chair

letter from the board chair
My name is Grace and I am the founder of The Pediatric Gastrointestinal Illness Foundation, a charitable fund housed at the New Canaan Community Foundation. After overcoming Gastroparesis, a rare gastrointestinal disease, I felt compelled to help other children who are battling serious and debilitating gastrointestinal diseases. *The Foundation guided me through the process of opening and managing a fund to achieve my philanthropic goals*. In turn, I was able to raise significant awareness for a cause I am so deeply passionate about. The Foundation staff suggested fundraising ideas, helped me create a donation page, and advised me throughout the grantmaking process. The Foundation is an extremely valuable community resource that is so willing to help kids like me reach their philanthropic goals. I am so thankful every day that I found the Foundation. I couldn’t have done it without them!

*Grace Flanagan, Senior, Sacred Heart Academy*

New England Dance Theater is grateful to be a grant recipient. Beyond the funds we receive, however, the Foundation has an even broader impact to our organization. We appreciate the opportunity the Foundation provides us to see familiar faces, meet new people, brainstorm and collaborate. *The Foundation’s support has led us to several significant partnerships*: with Norwalk Symphony Orchestra, leading to the historic collaboration bringing them to New Canaan for the first time to perform for the Nutcracker Ballet at NCHS; with Inspirica, whose families we have proudly been serving as guests at our Nutcracker Benefit for years; and, most recently, with the Carver Center to expand our arts education outreach programming by providing summer ballet classes. *The work of the Foundation ripples beyond and provides us all increased opportunities to enrich the people and communities around us.*

*Melissa Engel, NEDT President*

This year I served as Co-Chair of the Foundation’s Spirit of New Canaan Luncheon. We were fortunate to honor Meg Domino, Kathie & Leo Karl, Jr., and Chris Schipper. They are a remarkable group of New Canaan residents who exemplify this “spirit” – a special combination of generosity, compassion, and determination to make their community a better place. We also had the honor of recognizing Tom McLane, representing the Foundation’s founding board, on the occasion of the organization’s 40th anniversary.

*I was so proud to be a part of this inspiring event that embodies what the Foundation is for our community – a conduit for positive change, a gathering place for people who want to make a difference, and a vehicle for creating local impact.*

*Michelle Riley, 2018 Luncheon Co-Chair*

We are proud to support these local organizations through Foundation grants made possible by our generous donors.
The Young Philanthropists Program teaches high school students about the role of nonprofit organizations in addressing community needs through a monthly curriculum, volunteering, and participating in a grantmaking process.

I have thoroughly enjoyed my four years with [the Young Philanthropists] and have learned so much about philanthropy and the nonprofits who do so much good around Fairfield County. The information I have learned through work in this program will help me over the course of my life to look out for others and to give back to my community.

The Sapienza Scholarship Fund benefits students who reside in New Canaan and need financial assistance to continue their education.

“By awarding me the Sapienza Scholarship you have lightened my family’s financial burden which allows me to continue my education and focus more on the most important aspect of school, learning. The Foundation’s generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as the Foundation has helped me to pursue mine.”
