dear friends,

For 42 years, the New Canaan Community Foundation has been proud to serve as New Canaan’s local partner for advice, leadership, and facilitation of charitable giving. This year, our generous supporters brought the work of the Foundation to life in outstanding ways:

• We partnered to invest more than $1.9M in grants to nonprofit organizations, including over $585,000 invested in 78 local nonprofits carefully vetted through our annual grant cycle.
  > As part of this work, we strategically responded to increased need for investments in domestic violence services and prevention, as well as food insecurity – focusing additional resources on these issues, and highlighting them for further attention.
  > We also collaborated with residents, leaders, volunteers and experts to raise awareness on behavioral health and substance misuse issues in a new way – to shape a shared plan for positive change in our community.

• We continued to invest in our local students through almost $160,000 in scholarships, and helped New Canaan families with emergency financial assistance.

• More than 170 volunteers mobilized to bring our mission to life – vetting how and where we invest in nonprofit organizations, engaging their friends and neighbors in local giving, and spreading the word about critical issues.

• We engaged the next generation – teaching high school students in New Canaan about nonprofits, philanthropy, and giving back through our Young Philanthropists program.

• Our assets grew to nearly $20M, including an ever-growing family of donor advised funds – helping residents give strategically to causes they care about.

Thank you for trusting us as your local partner. Our vision strives for a New Canaan that comes together to address both individual and local challenges, enriching the lives of all community members – we thank you for joining us in making a positive impact.

Sincerely,
Sharon L. Stevenson

Thank you to the more than 160 volunteers who have served on the Foundation’s Board since 1977.
Philanthropy Luncheon

The 2019 Philanthropy Luncheon, attended by nearly 400 guests, highlighted the important local issue of behavioral health, and featured writer, comedian, activist, and author of Boy Meets Depression, Kevin Breel. Broadly inclusive of mental health and substance misuse, this issue touches many. By shining a light on behavioral health, the Foundation hopes to raise community awareness and help bring the topic to the forefront of conversation.

I think the best part of working as a grant volunteer was seeing how homeless shelters work to improve the lives of their residents. In Open Door’s new Smilow Life Center, I was amazed at the apartments they have created; the medical offices they have installed; the three meals a day that they put out that are healthy and delicious! It’s a 24/7 operation and the administrators are incredibly enthusiastic about all of it. You can read about it but nothing is quite like being on the front lines and seeing firsthand the progress they make and the challenges they face. I loved being part of a team of people who are all motivated to help make not only New Canaan but Fairfield County, a much better place. It was an honor and a pleasure to serve!

We are proud to support these local organizations through Foundation grants made possible by our generous donors.
Friends of Mead Park Playground

In 2017, New Canaan moms Monica Chimera and Allyson Mahoney spearheaded the improvement of the beloved Mead Park Playground to make it more accessible to children of all needs.

Monica and Allyson came to the Foundation for help and the rest is history! By working with the Foundation, the team benefitted from NCCF’s professional expertise and “back office” functions, allowing them to concentrate on their mission and reach their goal. Today the Friends of Mead Park Playground, through help from NCCF, the Town, and countless generous donors have succeeded in delivering a beautiful and accessible new playground.

“Partnering with NCCF allowed us to maintain a laser sharp focus for our campaign. We met our fundraising goal in just four months! NCCF handled the administrative functions and provided invaluable guidance and support, allowing us to maintain a hands-on approach and spend time wisely. We are so grateful to have them as a community resource.”

– Monica Chimera

Dorrico Award Celebrates 10 Years

In 2009, Rosemary and Tony Madia established The Joseph F. Dorrico Rotary Scholarship Award to honor Rosemary’s father, Joe Dorrico’s 90th birthday, his commitment to family, and loyal service to the community.

After their passing, the Burns family worked with the Foundation to find ways to honor their parents’ legacy of giving and civic engagement in town. One of those ways was to create this one-time scholarship to honor their parents’ love of history and great generosity to our community.

“Though we no longer have family in New Canaan, it was our wish to honor my parents’ love of the town by gifting the balance of their fund at NCCF – through these scholarships, a grant to the New Canaan Nature Center, as well as a gift to NCCF’s endowment to support the New Canaan community in perpetuity.”

– Jennifer Burns

Burns Family Fund Leaves a Legacy

This year, Charlotte Hamilton and Solomeya Marynovych – New Canaan High School seniors who excelled in the subject of history – were awarded scholarships in memory of John and Barbara Burns.

John and Barbara lived in New Canaan for many years, raised their family here, and had a strong impact on many local nonprofit organizations, including the Foundation.

This annual scholarship award is granted to a New Canaan student who demonstrates similar loyalty to the community through volunteer service as well as a need for financial assistance.

“This award was one of the best investments my husband and I made! Wanting Dad’s name to live on forever, this award has been presented to ten young men and women over the years. Thanks to the New Canaan Rotary Club, the New Canaan Community Foundation, and donations from family and friends, this award has grown from $500 in 2010 to $2500 in 2019!”

– Rosemary Dorrico Madia
