NEW CANAAN
COMMUNITY
FOUNDATION

our mission

New Canaan Community Foundation addresses our community's needs by providing leadership on local issues, making impactful grants, and facilitating New Canaan's effective charitable giving.

our vision

A town that comes together to meet the needs of New Canaan and its neighbors, creating a healthier and more vibrant community.

made possible by you

Dear friends,

As we reflect on the immense impact of our community in the past year, we are filled with gratitude and awe. Your dedication and generosity continue to shape the very fabric of New Canaan and our region. "Made Possible By You" resonates more profoundly than ever.

In 1977, civic leaders in our town established the New Canaan Community Foundation with a simple yet powerful purpose: to create a conduit for local giving. Today, more than 45 years later, we stand together in the realization of that effort, thanks to our community's enduring support.

To each one of you who has contributed to this journey, we extend our deepest gratitude. Your contributions – time, talent, and treasure – have made an impact across youth & education, arts & culture, environment, seniors, human services, and more. It is your compassion and belief in the power of community that have made each year of impact possible.

We continue to strive together towards our vision: a town that comes together to meet the needs of New Canaan and its neighbors, creating a healthier and more vibrant community. Thank you for your partnership and commitment to an ever-better community.

Sincerely,

Jeffrey Williams

NCCF's Partnership with New Canaan Public Schools, through the Touch a Life Fund

NCCF's Touch a Life Fund is one way that New Canaan comes together to support its residents. This fund provides emergency financial assistance for locals who need help paying for utility expenses, rent, essential home repairs and food. NCCF is proud to support a partnership between this fund and New Canaan Public Schools (NCPS), with a \$20,000 grant to pilot a partnership that

ensures students who qualify for free and reduced-price lunches can access additional food at school. Dr. Bryan Luizzi, Superintendent of NCPS, shares that "Before the assistance of NCCF, these students had a very limited menu of choices. They were very self-conscious about that compared to their friends and peers. Thanks to the help of NCCF, those students can now get the same thing their friends are getting. And it may seem like a small thing, but it's an enormously significant thing for children as they learn to become the people they will be. It shows them that we value everyone equally in our schools."

In addition to the partnership with New Canaan Public Schools, the Touch a Life Fund fulfilled 38 requests for emergency financial assistance this year, totaling over \$13,000. The individual emergency assistance supported a variety of resident needs including rent, utilities, camps and childcare, instrument rental, drivers ed, medical and dental expenses. NCCF's Touch a Life Fund exemplifies the Foundation's commitment to responding strategically and compassionately to the ever-evolving needs of both the community and its residents.

Dr. Andrew Gerber of Silver Hill Hospital shares progress of New Canaan Urgent Assessment with Spring Luncheon attendees.

NCCF Community Behavioral Health Fund

Launched in spring of 2023, the Community Behavioral Health Fund is the latest in the Foundation's work on behavioral health issues in our community. The Fund builds on the Foundation's previous five years of work in this space and is envisioned as a multiyear initiative with the initial goal of investing \$500,000 over the next five years of this work.

The Community Behavioral Health Fund will address both short-term and long-term strategies for improving behavioral health in New Canaan and surrounding communities. The fund aims to mobilize resources for continued

made poss

access to services, decrease stigma, improve data tracking, forge partnerships across sectors, advocate for policies and funding, and document learning. NCCF will be a vehicle to bring together information from across the community and the behavioral health system, addressing issues in a way that is smart for the whole ecosystem.

The first grant from the fund was distributed in July 2023 in the amount of \$50,000, which supported the New Canaan Urgent Assessment Program. Led by Silver Hill Hospital, this program, which launched in July 2022, connects those in urgent need of mental health treatment with a timely, psychiatric assessment – within 48 hours – and tailored referral for ongoing care. The program serves children, adolescents, and adults and saw 120 people in its first year as it steadily ramped up operations. The community’s giving ensures that any New Canaan resident accessing the program does so without cost.

The Dome at New Canaan High School

Over the years, NCCF extends its charitable assistance to select organizations, offering them the opportunity to house their charitable work at NCCF and leverage its charitable expertise. This valuable support allows these organizations to concentrate on outreach and marketing while NCCF expertly manages the intricacies of nonprofit “back office” administration.

In an exciting alignment of two core NCCF priorities – collaborating with New Canaan Public Schools to enrich the lives of local children and contributing to significant capital projects within the town – The Dome at New Canaan High School emerged as the ideal partner. The Dome, currently in its final stages of transforming the 1971 planetarium into a cutting-edge learning theater, opted to partner with NCCF to house its charitable fund.

NCCF’s partnership enabled the Dome’s fundraising team to focus on raising awareness of the innovative educational opportunities the space would offer K-12 students, while NCCF expertly managed all charitable administration, gift acceptance, tax receipts, and other nonprofit administrative tasks.

The Dome

NCCF takes pride in its role in projects such as The Dome and supporting the mission of New Canaan Public Schools. Other organizations that NCCF has partnered with in the past year include: The Gracie Fund for Pediatric Cancer, the Friends of Bristow Bird & Wildwood Preserve Fund, and the Newcomers Club of New Canaan Charitable Fund, to name a few.
