**With many thanks to the New Canaan Community Foundation,
we happily submit this testimonial of the Foundation's generosity and support:**

Founded shortly after Waveny's 1975 inception, the New Canaan Community Foundation has been an important generational peer and partner to our organization over the past three decades. During this time, the Foundation has generously supported us via gifts from the Community Impact Fund, the Young Philanthropists Fund, donor advised funds and pass-through grants, which have assisted in financing numerous projects to improve upon the quality of life for those we serve.

Waveny frequently turns to the Foundation for help with its less glamorous, albeit vitally important and often costlier projects like the purchase of an emergency generator for New Canaan Inn, a wander guard alarm system for The Village and the re-routing of Waveny Care Center's sanitation system.

Other tangibles made possible through their funding include staff enrichment programs, the audio system and state-of-the-art fire safety system at New Canaan Inn, a pick-up truck used primarily for campus snow removal, new rehabilitation equipment and a large screen television at the Care Center, a van for our Adult Day Program, and The Village's distinctive 'Main Street,' on which the Foundation is commemorated with a stunning clock tower that bears the same face as New Canaan's distinctive Louis Moreno Memorial Clock. We thank the Foundation for its ongoing support of Waveny and for its countless efforts to benefit the greater New Canaan community as a whole.
