

Why I support the Touch a Life Fund at NCCF

I grew up with barely enough money to get by in New Canaan and I know firsthand how difficult it can be. I also know that people can struggle in this town despite its affluence and it is not always comfortable to ask for help.

Yet, I flourished because of the kindness of friends and neighbors.

The Touch a Life program has taken this personal kindness to the next level and I am happy to be able to give back and be part of more organized effort to reach out, protect and support our neighbors.
